In Re: Application of) Art Unit:
GEORGE KRIKORIAN, et al)
Serial No.:) Examiner:
Filed:)
For: MULTIPLE STAGE THEATER)
_____)

INFORMATION DISCLOSURE STATEMENT

Commissioner Of Patents and Trademarks

Washington, D.C. 20231

Sir:

Enclosed please find a copies of PTO forms SB/08A and SB/08B showing relevant prior art as discovered in the novelty search and in pre filing factual investigation of this matter.

Also uncovered in the novelty search for the above described invention is U.S. Patent 5,822,928 for Motion Picture Theater Structure. The design of this patent is for the purpose of providing an intimate theater environment but there is only one level to this design. Since there is only one level to this design it is submitted that the invention covered by this patent is not relevant to the present invention of George Krikorian, et al.

Also submitted are copyrighted material and copies of working progress drawings of the theater structure which is disclosed in the present patent application. Any further working

1 drawings or technical drawings except for the drawings submitted
2 in this application would only be culminative.

3 Respectfully submitted:
